

Teaching and Learning		Teaching and Lear
Literacy and English - Reading Use the title, picture and blurb to select a book to read. Explain why you chose this story. What did you like/dislike about it? Use examples from the book to back up your answers.  Would you read something by this author again?	Numeracy and Mathematics – 3D Object Hunt Go on a hunt for 3D objects in your home. What can you find? Can you name them? Challenge: Explore the properties of your object – Which ones roll?, Do any of them stack? Can you sort them e.g. into those which roll and don't roll.	Health and Wellbeing  Be a Smile-Spy! Draw a smile on lots of bits of paper and hide them in special places around your home. If someone finds one tell them something that puts a smile on your face. What puts a smile on theirs?
Literacy and English - Vocabulary and Spelling Look at the 200 most commonly used word list provided. See how far down the list you can get before you start getting stuck. Learn the next 6 on the list. Get someone to quiz you on them. Make sure you know what each word means. You could put each in a sentence to prove it.	Numeracy and Mathematics - Sequencing Sequence numbers in the range 1-100 e.g. write 38, 39, 40, 41 on separate pieces of paper, mix them up then sequence them. Repeat for other sequences. Challenge: Can you try to sequence larger numbers? Can you order numbers which aren't in sequence e.g. 3, 71, 55, 12?	STEM Bring the wet weather indoors by creating a cloud in a jar: <a href="https://www.giftofcuriosity.com/weather-science-how-to-make-a-cloud-in-a-jar/">https://www.giftofcuriosity.com/weather-science-how-to-make-a-cloud-in-a-jar/</a>
Literacy and English - Question or Statement? Think about 5 things you would like to tell your friends or teacher. Write them down in sentences. Now think of 5 questions you would like to ask them. Write them down too. Do all your sentences have full stops and your questions have question marks?	Numeracy and Mathematics – Recognising Numbers Find a number between 1 and 100. Can you say the number out loud? Possible contexts – door numbers, pages in a book, buses. Challenge: Look at two of your numbers. Which is larger? Also ask for the number before or after.	Expressive Arts  Fold a piece of paper in half and then in half again so that your paper is split into quarters. On each of the 4 sections draw or paint the weather outside. Repeat on different days so that you have 4 different weather cards that you can put on display in your house.
Literacy and English - Writing Choose one of the pictures from the attached sheet. What do you think might be happening? Write at least 3 sentences explaining where, when and why the events are happening.	Numeracy and Mathematics – Dot to Dot Puzzle Complete the dot-to-dot puzzle on the back of this sheet. Challenge: Can you do it backwards (starting from the largest number)?	Social Studies  Try and learn two different knots and practise them until you don't need to follow the steps: <a href="https://www.animatedknots.com/basic-knots">https://www.animatedknots.com/basic-knots</a> Where do we use knots? What jobs might need you to be able to tie knots? How have knots been replaced?
Literacy and English - Talking and Listening Ask a family member for their opinion on something e.g. Should children get pocket money? Under what circumstances? Should homework be banned? Should we have school uniform? <i>Listen</i> to their answers and ask them questions. Show them you value their opinion by allowing them to share it fully.	Puzzle - Code Name  Write the number that represents each letter e.g. A=1, B=2, Then write your first name in code e.g. Ben would be 2/5/14. Can you write a coded message for a friend?	Modern Foreign Languages  Does anybody at home or in your family speak a different language? Try to learn how to say hello, how to ask someone what their name is or even some different words for fruit and vegetables.  "Les pommes sont magnifiques!"

# Next 200 High Frequency order reading down the columns (water to laughed then let's to grow)

### Think about:-

Who is in the picture?

Where are they?

What are they doing and why?

When is this happening?

What do you think they are saying to each other?

What might happen next?

### Remember to:-

- Use capital letters, full stops or exclamation marks.
- Use interesting sentence openers
- Read your sentences to make sure they make sense

Extra challenge

See if you can use conjunctions in your sentences.

### Think about:-

Who is in the picture?

Where are they?

What do you think they are saying to each other?

What might happen next?

### Remember to:-

- Use capital letters, full stops or exclamation marks.
- Use interesting sentence openers
- Read your sentences to make sure they make sense

Extra challenge

See if you can use conjunctions in your sentences.

### **Self-reflection Plenary**

At the end of a day of learning you might like to choose a row (A, B or C) and roll a die to select some self-reflection questions. You can look at them by yourself or, even better, discuss them with someone else.

1 6 Did I try going back to a Did any of yesterday's Were there any tasks Were there any tasks Did I estimate correctly Did I start with the Α today that I found too today that I found too how long each task easiest bits of the task tricky task later and tasks make more sense easy? Why? Could I have difficult? What made it would take? If not did I or the hardest? Did I reading it again? Did it today now that my added my own difficult? Did I give up under estimate or over work through tasks in a make a difference? brain has had time challenge? straight away or keep specific order? away from it? estimate? trying? Thinking of one of my Which parts of today's Which tasks had new Did I find it easy to stay Can I think of ways to Do I need to practise В tasks used knowledge I tasks. Did I understand learning in them? What on task today? What improve my motivation anything to make felt confident about did Hearn? the concept that I was helped/hindered this? for tomorrow? tomorrow's learning remembering? working on? Is it different easier? depending on the task? Did I have everything I Did I get stuck? How How long do I think I Am I worried about What made my learning How can I make sure I needed to complete the did I get past that? Did I stick today? What did I remember what I will remember what I anything after today's learned? How could I tasks? Did I use anything give up or try do that helped me learned? What have I work? What can do if I to help me? something else? What understand a particular done in the past that check next week, next am worried? did I trv? has worked? month? task?
